

Going Local: Public attitudes towards municipal Offices of Immigration Affairs

Supplementary Materials part 2

Tomas Jimenez, Cesar Vargas Nunez

This document includes tables from the Supplemental Materials #1 (SM1) with the addition of control coefficients. The main results remain unchanged. All tables here reference a table or figure in SM1. This file is only meant to show the control coefficients in of covariate-adjusted regressions and the results of some figures in tabular format. This file is not meant to be used as a stand-alone appendix.

Table 1: Results from SM1 Table A7 Including Coefficients for Covariates
